## Summer Reading a 'Home Run'

The Dunklin County Library just finished up the 2016 Summer Reading Program.

This year nearly 150 children came from all over the county to enjoy in this year's theme: "On Your Mark, Get Set, READ."

The events started with a kick off where the children were read stories, given a pennant to personalize and some fun games to participate in.

The next event was story time. This was a

time to focus on reading story books and to have a lesson in water safety. Story Time also gave time for the chil-

dren to play a rousing game of putt-putt and

'pick a duck' as well as participate in another craft.

Finally it was time for the party, where the library served pizza and lemonade to the children who participated in the program. The children who read 20 or more books were awarded with a medal and certificate.

The children were read several fun poems, played 'frog toss,' and were giv-

en their awards and a fun gift bag. The program, which ran from July 1 through August 5, was available to any child in the county free of charge. The purpose of the program was to promote interest in reading and allow them the opportunity to discover that the library is a place for learning and great fun.

Through the program the library promoted both literacy and an active and healthy lifestyle
